I am by a late order that you have the power to raise a Brigade of Mounted troops, under the supervision of your own district. NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbanding officer.

Anderson Jr. born in Louisville in the State of Kentucky aged Twenty One years, and by occupation a Grocer Do HEREBY ACKNOWLEDGE to have volunteered this 1st day of March 1864, to serve as a **Soldier** in the **Army of the United States of America**, for the period of *THREE YEARS*, unless sooner discharged by proper authority: Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for volunteers. NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistments out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays, &c. NOTE 2.—An enlistment holds to service. A muster-in roll must in all cases be filed in the Adjutant General's office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

VOLUNTEER ENLISTMENT.

STATE OF Miss. TOWN OF Vicksburg

I, Joel H Baker born in Boston in the State of Mass aged Twenty Five years, and by occupation a Farmer Do HEREBY ACKNOWLEDGE to have volunteered this First day of January 1864, to serve as a SOLDIER in the ARMY OF THE UNITED STATES OF AMERICA, for the period of THREE YEARS unless sooner discharged by proper authority: Do also agree to accept such bounty, pay, rations and clothing as are, or may be, established by law for volunteers. And I,

Sworn and subscribed to at Vicksburg this First day of January 1864 before Joel H Baker his mark

and Recruiting Officer.

I CERTIFY, ON HONOR That I have carefully examined the above-named Volunteer, previously to his enlistment, and that, in my opinion, he is free from all bodily infirmities and mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer Joel H Baker previously to his enlistment, and that he was entirely sober when enlisted; that to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able bodied soldier, I have strictly observed the Regulations which govern the recruiting service. His soldier is 26 years old, Black hair, Dark complexion, is 5 feet 6 inches high.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action or indorsement thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge and the last certificate on this paper, and then the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and reenlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster is sent in all cases, precede payment of pay, bounty, pension, &c. A muster-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

ARTICLES OF WAR.

ART. 86. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for and paid to the representatives of such deceased non-commissioned officer or soldier. And no commanding officer of any troop or company shall be allowed to take charge of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave his command or post, by sickness or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer of the regiment or corps, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 86th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate to the same to the colonel of the regiment. Final statements of pay, clothing &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be prepared, as a general rule, through Regimental Head-quarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——, late of company (—,) —— regiment of ——, who died at ——, the —— day of ——, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —— ——, late of company (—,) —— regiment of ——, who died at ——, the —— day of ——, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Citizens of Jackson & Cass Counties.

Petition for keeping Lt Col. E.B. Brown at Independence and Kansas City. Citizens much pleased with his course.

Head Quarters District of Central Missouri
Jefferson City Mo April 18th 1862

Respectfully appered to Brig. Genl Schofield with the hearty endorsement of the within statement. Col Brown is in the right place, well calculated to conciliate the citizens of that part of the State and to restore quiet. He will be vigilant in the protection of the Union people and the Union cause & therefore should be kept there by all means.

J.E. Tolton
Brig. Genl
Comd District

(2)

Hon Genl. Gillem
Charlotte

The Undersigned Citizens of Jackson County beg leave to call your attention to the following statement. We understand that efforts are being made to have the Head Quarters of Genl Col E. S. Brown changed from Independence - In reference to this change permit us to say that Independence is the legal seat - is a central position, easy of access to persons all parts of Jackson & best counties is in the immediate vicinity of the seat of Operations of the various Marauding parties that infest this section of the Country & greater facilities are less enjoyed by the Commanding Officer for obtaining early & correct information of the movements of these parties and applying the correction that could be had elsewhere - besides this, a change now, would tend to destroy the confidence of our Citizens in the permanency of the protection which they so much need and desire.

In addition to this allow us to add that the Citizens of this section of Country are delighted with Col Brown & the course pursued by him, during the few days he has been among us - much has been done to quiet the people - public sentiment is undergoing a rapid & favorable change - our Citizens are returning to their Homes, Thieves and Marauders are Quailing with fear, The Col has the confidence & affection

of the People, if permitted to remain loyal. We are confident that Civil Law and Complete obedience to the Federal Government will soon be established and a correct public sentiment restored.

Respectfully &c

Dear Brother

I am delighted at hearing from the
success of the arms Kept Up at the Home and in the
Country - I thank you for the news of
the Confederate and wish gladly could
be of some real part this County is a
Paradise that they can feel that the Enemies
are not the worst enemies - Before I had
the pleasure of your information as to
the views of those Citizens and others
who had left without a Financial Sac-
rifice could fail to comprehend the Policy
of Separation that those citizens in the
Parish of Orleans from Cause - the fact
does illustrate this - Every Command
that has been sent up the Lakes (Pontchartrain)
from Jurisdiction the town and thence the
River into the Coast towns Opposite Lake
Pontchartrain from 12. to 36. hours while
this Operation Blockades the inhabitants
this has been done in less than fourteen
days during the Jackson-Shreveport - over
a Million & half dollars worth of property
has been taken from this County - Those
this fact can judge how Many Troops

from them understand as they have
not taken a cent worth for insulted
a person since we left Springfield
they are liable as citizens and as
they have to pay taxes have a perfect
right — We first receiving from
Telegraph I decided to leave St. Louis
immediately as soon as it was known
a Delegation of the citizens would visit
it for and ~~on~~ their solicitation I have
concluded to write you explaining the
position of affairs and how it
is in obtaining the permission to
remain not leave the State from
you — Hon General what could I
do — when substantial men
and intelligent gentlemen in the
first circles for the safety of the
families and remaining [illegible]
urged while displaying pistols and threat-
ening to stay as having afforded the pleas-
ure of knowing they had paid for our
a year but urged that I would find it
necessary to withdraw from the Com. and
that it was dangerous for an officer
to remain out-fully you do not
know what quiet [illegible]

the resolutions call for a meeting on the
Resolutions herein expressed being signed
by over 1200 men of this town and which
is being circulated in all parts of the
County and signed by men of all parties
now almost without an exception condemning
in in unbroken terms the disloyal sentiments
held by the Democratic Party of the County - a Flag will be
raised at the Meeting - until the result
of this Meeting is known it is better
to remain silent - leaving "Hamlet the
part in which he is to be played out."
Men are now marauding bands on the
Eastern Shore of the County one under
Townsend and the other headed by a
fellow by the name of Hitchcock - the
former has about 40 men and the
other some 16 - Townsend is a singular
man - possessed of a curious vigor
of imagination & his conduct of his
men is very good - a man of few words
brave and enterprising - He has al
ways claimed that he only wanted against
fair fighting - and so he has in a number
of instances returned Union men their horses
& the animals captured from the rebels to

I have taken it to learn Truth in his situation
I am informed that he has told his men
that as the troops in this County are now
protecting the property of all classes his
Company must disband and as he
has not Committed any depredations
since he came here there appears to be
some foundation for the report that
I saw on his track and mine rail, a
part of his Command - Chivo is a
"low plung" thief - So the inhabitants
of the town complained of them besides he
then said that a few days ago Gen Price
Commissioned me to encourage the
Citizens and encourage them to
Join our Army - I'm in hopes by the 20th I can have
Horses in good shape if you should
think best I will then go to Missouri
I am very anxious to take the Key

Dear Sir,

The undersigned Citizens of Jackson County beg leave to call your attention to the following statement—

We understand that efforts are being made to have the Head Quarters of Lieut Col E. B. Brown changed from Independence. In reference to this change permit us to say that Independence is the County seat, is a central position easy of access to & from all parts of Jackson Co. Besides—is in the immediate vicinity of the seat of Operations of the various marauding parties that infest this section of the Country & greater facilities are here enjoyed by the Commanding Officer for obtaining early & correct information of the movements of these Parties and applying the Corrective that could be had elsewhere. Besides this a change now would tend to destroy the confidence of our Citizens in the permanency of the protection which they so much need and desire. In addition to this allow us to add that the Citizens of this portion of Country are delighted with Col Brown & the course pursued by him,— during the few days he has been among us very much has been done to quiet the People Public sentiment is undergoing a rapid & favorable change. Our Citizens are returning to their homes

– Thieves and Marauders are quaking with fear
The Colonel has the confidence and affections of
the People & if permitted to remain here we are
confident that Civil Law and Confidence
& the Federal Government will soon be established
and a correct public sentiment predomin

Near Dear Sir

A few hours since we learned that you had tendered Genl Col E B Brown the appt of Col of the 1st Mo Cavalry and requested that an acceptance of said appt would remove him from an unfriendly position among our citizens. At once waited upon him and urgently requested him to decline the appt and remain with us. In obedience to our wishes and at our request he has generously declined the appointment and by this self sacrificing spirit he has still more endeared himself to our people in whose confidence he always held a high place During the short time Col Brown has been in our midst he has won the confidence of our people and is rapidly restoring order & good feeling and under the peculiar circumstances surrounding us it would be greatly prejudicial to the interests of the Government And the Union cause that Col Brown should now be removed

In justice to Col Brown who has manifested so much interest in the welfare of our people we would respectfully suggest that it would afford us much pleasure to see Col Brown promoted to the

Command of a Regiment provided the Regiment or a part of it could be stationed at this place and Lieut Brown be assigned the Command

St Louis Mo.

September 28th 1863.

Lieut. Colonel Paul Buchanan Jr. Sgt Major U.S.

Sir, I am having applied for a certificate, on which to

ground a detail from duty to return to duty at the

expiration of his sick leave of absence, given for 20 days

and bearing date of September 11th 1863. Hitherto

I have declined to give that I have carefully

examined this Officer and find that he is suffering

from the effects of an attack of Chronic Gastritis

Dyspepsia and that though now convalescing he is

quite feeble and emaciated. And that in consequence

of this he is in my opinion unfit for duty. Further

I declare my belief that he will not be able to resume

his duties in a less period than twenty days from the

expiration of his sick leave.
